Frank's Taube

Frank sent this message along with several photos.

"This is my winter project. It is a Taube 90. It will be powered with a OS 90 4 stroke. I started it the day after Christmas."

Indoor Flying

The indoor events are going strong with occasional interference from the weather! This past Wednesday's event at the church had 14 individuals attending. And Friday's event at the school was canceled due to ice!

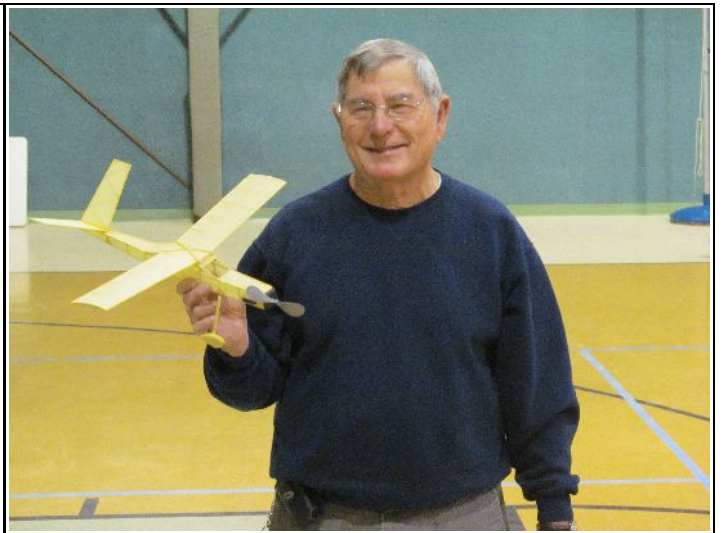

Paul Flohn of KVMA recently brought his recently completed SIG 1909 Antoinette. Sam Wade (KVMA) and Wayne spent quite a bit of time getting the CG set so it would fly correctly. Looks very nice.

Shorty brought his "Swallow" and that has been flying very nicely. I recently purchased a new Blade mQX quad copter and am having fun flying that! Vapors are still popular and we usually see 3 or 4 in the air at times.

Ron and Leif have both been trying new indoor models with mixed success. Usually, most issues are resolved with a little help from the more experienced fliers.

Remember Me

*Remember me
When my soul takes flight
On the wings of angels .
And finding a thermal,
Rises high toward heaven's gate.
Remember me.
Although I fly with the Angels
I am with you always
In the landing field of your heart.

Treasurer's Report for January, 2012

I know that this not the usual way this report is given but I thought that something should be in the newsletter. By the February meeting, the transfer of the club's checking account should be done. But in the meantime club dues are now due. I would appreciate it if you would please use the club's application form from the FCAM website. I will have some on hand. If paying your dues in person, I will ask to see your 2012 AMA card. As a reminder the dues structure is like this:

Age 19 and over	\$30.00.
Age 10 through 18	\$5.00.
Family (Under one roof)	\$35.00.
Associate Member	\$10.00.

Don't forget there are club patches... \$5.00 each.

Club "T" shirts ... \$10.00 each. I have only 2 sizes on hand. XL... 7 ea.
2XL... 2 ea.

As of January 27, we have 17 paid up members.

Respectfully submitted

Roland Woodworth, Treasurer

DUES Notice

A motion was passed last June that if dues are not paid by January 31st, no newsletter will be sent to those members who are in default. We presently have 17 paid up members.

This will be the last newsletter sent to members that haven't paid their dues!

And from the past.....

Dick, me, Roland and Art flying sailplanes at Whispering Pines this past summer.
